

Director Research

- Filmography: List in chronological order from **most recent** to **oldest** film. Include date in parenthesis.
 - Make sure that the films are underlined or italicized (choose one). Do not place in quotes.
 - You need a biography of the director that includes:
 - At least a 500 word summary of his/her life and how his/her upbringing shapes his/her films.
 - After the heading place the word count.
 - At least a 350 word count of an overriding theme or technical device that makes up his/her stylistic (auteur) approach.
 - There must be at least three examples of this stylistic use.
 - **All sources must be cited within your project. Make sure you look at the quotation packet found on my website.**
- * There MUST BE A WORKS CITED PAGE.
- * You must use at least two primary sources from the online word banks or from a book.
- You must use MLA formatting.

This project is worth 50 points. It must be typed (12 point font/ courier or Times New Roman) and double spaced.
