

Logline Assignment

Create a 1 – 3 sentence logline that consists of the major elements discussed in class.

First, create:

1. Protagonist with a descriptive adjective.
2. Active verb that describes the struggle towards the goal.
3. Antagonist with a descriptive adjective.
4. GOAL of the protagonist.
5. Stake: What is at risk for the protagonist?

Finally, create your 1-3 sentence logline. This logline will be edited down to a one sentence logline before writing your short. The logline must contain all the major elements to create a strong logline.
