

Poem Project Treatment

1. Once you analyze your poem write a treatment.
2. The treatment is a summary of your story (narrative).
3. The treatment must be at least 275 words.
4. The word count must be placed at the top of your document.
5. MAKE SURE that you capitalize the entire word the first time you introduce your character (i.e. When LILLY, 13 years old, walks into the house she sees her dog.)
6. MAKE SURE that you submit your treatment on Google docs or a PDF.
