### Short Film Peer Critique

*Directions: Below are the categories that are being used to grade each project. Please watch each project with these categories in mind and fill out the table based on those categories. First, what is a strength of this project; second, what is an open ended question you can ask the group about their projects; third, what is a challenge in one of these categories that could make the project better.*

**Categories:**

*Adherence to Assignment/Overall Story*

*Cinematography*

*Ability to create specific mood*

*Dialogue*

*Steady camera*

*Visual Storytelling*

Group #	Strength	Question	Challenge
