

“The Fly” Essay Topics

1. What is the primary theme of “The Fly”? Discuss the writer’s views about life, death, and fate as given in her story “The Fly”.
2. What does the fly symbolize? The fly is a complex and important symbol in the story, so make sure that your interpretation works well with what the story tells us. The boss, for example, kills the fly, so your interpretation of the fly should take this fact into account.
3. Explain how “The Fly” does or does not deal with the inevitability of death and man's unwillingness to accept this truth.
